OUR COMEDY FOR KIDS TALENT

Corey Gotham is a homegrown, highly sought-after talent. He tours nationally, performing at colleges, clubs and for corporations. He was the winner of The Catch a New Rising Star, The Funniest Comic in New England and the 2017 Big Sky Comedy Festivals. Rodrigues has been featured on the hilarious Gotham Live and Laughs on Fox television shows and currently can be heard on Sirius XM. He combines comedy from his own life and the lives of those around him. Mix that with a hilarious point of view and he's able to talk about just about anything.

Jimmy Dunn is an actor and stand-up comedian also from Boston, who recently co-starred on the CBS comedy "The McCarthys" as Sean McCarthy. He got his start in the comedy world telling jokes at a bar in Gloucester, Massachusetts, where he was paid in beer and fried clams. Since then, Jimmy has gone on to perform in the comedy industry's most prestigious events, including Denis Leary's Comic Come Home, Montreal's International Just For Laughs Comedy Festival, and the Late Show with David Letterman.
